

Dear participants,

please find some additional comments on the online system that we use as part of the The Combined Int. German Youth Championships 2022.

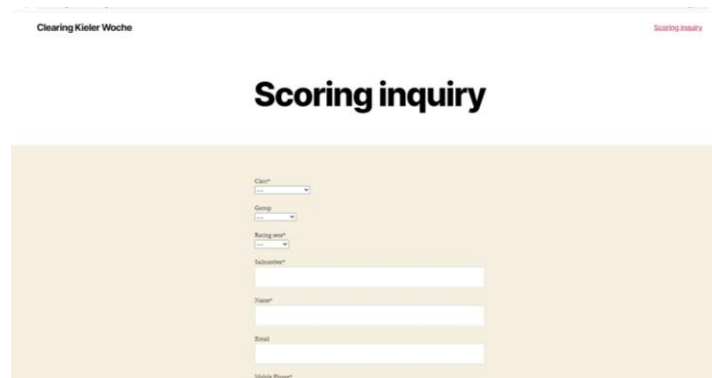

In principle, all applications should be submitted online. The links to these can be found on the event website (under “Notice Board & Hearings”) as described in the sailing instructions.

You need access data for the following submissions:

- Hearing requests
- Inquiry to race committee and technical committee

When applying for a scoring inquiry, it is not necessary to enter access data. The input mask also looks a little different:

Please make sure that you have an appropriate mobile device with you to the event or that you can access one (e.g. from friends).

Access data

After the official check-in time, you will receive an e-mail with your personal access data according to the graphic above.

The username is the registered sail number in this event.

Attention: The access data will be sent to the e-mail address that was given to the skipper when registering.

The access data is presented in the e-mail in the following format:

Team credentials (GER 5641)

Sail Number Country: GER

Sail Number: 5641

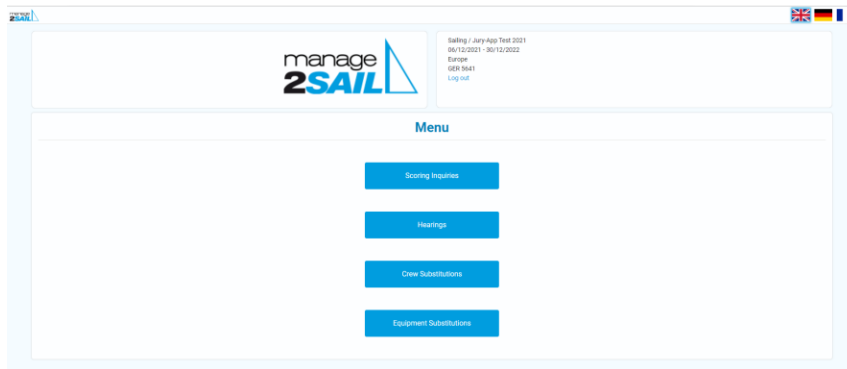

Password: ttAHBnrLki

The password itself cannot be changed by the user himself.

Example: Hearing

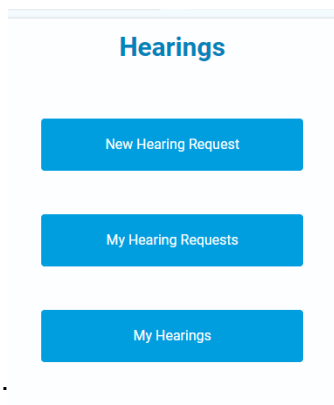

□ Overview

After successful registration you will then see a menu in which you can click on the relevant request and fill it out.

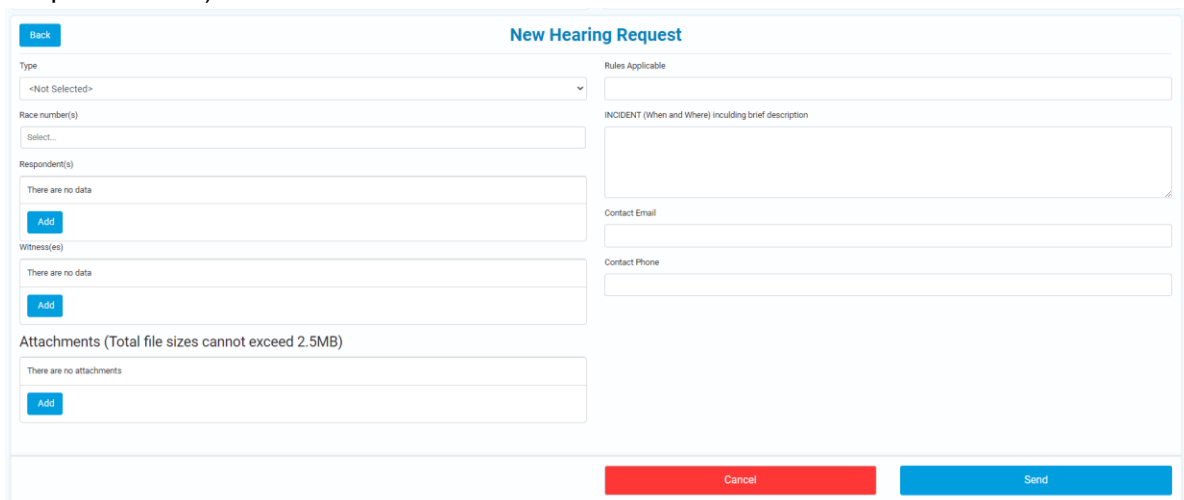

□ Submitting a request

You can use the individual buttons to submit a new application or view the applications that have already been submitted.

In order to submit a corresponding request, a new request must be created (here: "New Hearing Request" button):

A screenshot of a web application form titled 'New Hearing Request'. The form has a 'Back' button in the top left. It contains several input fields: 'Type' (a dropdown menu with '<Not Selected>' selected), 'Race number(s)' (a text field with 'Select...' below it), 'Respondent(s)' (a text area with 'There are no data' and an 'Add' button), 'Witness(es)' (a text area with 'There are no data' and an 'Add' button'), and 'Attachments (Total file sizes cannot exceed 2.5MB)' (a text area with 'There are no attachments' and an 'Add' button'). On the right side, there are fields for 'Rules Applicable', 'INCIDENT (When and Where) including brief description', 'Contact Email', and 'Contact Phone'. At the bottom of the form, there are two buttons: a red 'Cancel' button and a blue 'Send' button.

Within the form, before the application is sent, it is checked whether all mandatory fields have been filled out. Corresponding missing fields are marked and instructions for filling them in are displayed at the top of the form:

The form contains the following error messages at the top:

Liebe Teilnehmer,

nachfolgend einige Hinweise zu dem Online-System, das wir im Rahmen der Gemeinsame Int. Deutsche Jugendmeisterschaften 2022 verwenden.

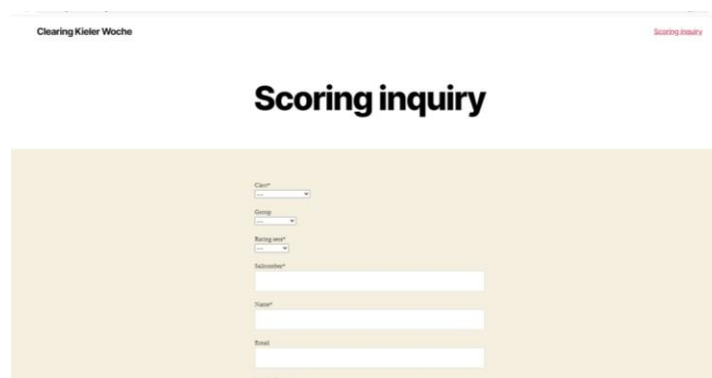

Alle Anträge sollen grundsätzlich online eingereicht werden. Die Links dazu sind wie in der Segelanweisung beschrieben, auf der Event-Webseite zu finden (unter „Notice Board & Anträge“).

Für folgende Einreichungen benötigen Sie Zugangsdaten:

- Antrag auf Anhörung
- Antrag an die Wettfahrtleitung und das Technische Komitee

Bei dem Antrag auf Wertungsänderung ist die Eingabe von Zugangsdaten nicht notwendig. Auch die Eingabemaske sieht ein wenig anders aus:

Bitte achten Sie darauf, dass Sie zur Veranstaltung ein entsprechendes mobiles Endgerät dabei haben oder auf ein solches (z.B. bei Bekannten) zugreifen können.

Zugangsdaten

Sie erhalten im Anschluss an die offizielle Check-In Zeit eine E-Mail mit den persönlichen Zugangsdaten entsprechend der oberen Grafik.

Dabei ist der Benutzername die gemeldete Segelnummer in dieser Veranstaltung.

Achtung: Die Zugangsdaten werden an die E-Mail Adresse verschickt, welche bei der Anmeldung beim Steuermann/Skipper mit angegeben wurde.

Die Zugangsdaten werden in der E-Mail in dem folgenden Format dargestellt:

Team credentials (GER 5641)

Sail Number Country: GER

Sail Number: 5641

Password: ttAHBnrLki

Das Passwort selbst kann durch den Nutzer nicht selbst geändert werden.

Beispiel: Anhörung(Hearing)
